Questionnaire 2020

HOW DATA PROTECTION RULES
ARE IMPACTING ON CIVIL LITIGATION

In Nur-Sultan Kazakhstan we decided that in 2020, our Second Study Commission will focus on how data protection rules are impacting on civil litigation. We have limited the questionnaire to five questions and we expect to receive short but concise answers.

**REPLIES OF THE ASSOCIATION OF JUDGES OF THE REPUBLIC OF
ARMENIA**

The questions are as follows:

1. Do you store digital data in your jurisdiction? **It is not yet available in Armenia, but the Judicial and Legal Reform Strategy for 2019-2023 envisages the creation of an e-justice platform, which is a digital resource that will enable to be digitized proceedings in civil cases.**
2. How is it stored and for how long? **This is currently in the design stage, that's why it has not been clarified yet.**

3. Who has access to the digital data in your jurisdiction? **It is envisaged by the above-mentioned Legal Reform Strategy, that all participants in the proceedings have the opportunity to perform their functions electronically and have access to the digital data.**

4. Are there digital data protection rules in place in your jurisdiction? **Currently this is also in the design stage.**

5. Who covers the costs relating to the storage and protection of the digital data in your jurisdiction? **Please, see the answer to the question 4.**
