

A) Are judges assisted by a legal assistant or other legally trained staff?

B) If yes: a) what are their tasks? b) no of assistants per judge

C) Are judges supported by a secretariat (I mean not only a clerk dealing with files, but more secretarial assistance)?

D) If yes: could you please roughly describe the organisation of your system (regarding secretariat/admin. assistance)

If there is any further information on this subject available in your country, e.g. on a website, please let me know.
